# PROJECT REPORT

Student Name:

Team:

Team member evaluation:

Are there any team members who are slow to provide you with information you have requested? List all below and attach PDF copies of all documentation.

Is there anyone who seems to be taking a leadership role? List them here:

Report the following:

What bearing (model number) is going to be used for the piston bearing?

What will be the ID of the power cylinder? \_\_\_\_\_

What will be the OD of the power piston? \_\_\_\_\_
